Afro-Ecuadorian Lullaby

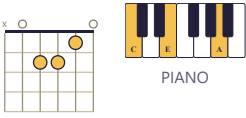

Esmeraldas, Ecuador · Key: A minor · ~55 BPM

Am Dm Am
Sleep now, little one, the ocean waves are still,
Dm Am E7
the marimba's gentle song has faded, upon the coastal hill.
Sleep now, little one, the palm trees sway so slow,
tomorrow's sun will rise for you, and set the coast aglow.

*"Sleep now, little one, the ocean waves are still, the marimba's gentle song has faded, upon the coastal hill.
Sleep now, little one, the palm trees sway so slow, tomorrow's sun will rise for you, and set the coast aglow."*
