Am Dm Am
Sleep now, little one, the ocean wind is mild,
Dm Am E7
the harvest songs have quieted now, for a sleepy child.
Sleep now, little one, the coastal cliffs stand tall,
tomorrow's sun will rise for you, and shine upon it all.

“Sleep now, little one, the ocean wind is mild, the harvest songs have quieted now, for a sleepy child. Sleep now, little one, the coastal cliffs stand tall, tomorrow's sun will rise for you, and shine upon it all.”
