Am Dm Am
Sleep now, little one, the ancient river flows,
Dm Am E7
the old stone church bells have quieted now, as evening gently grows.
Sleep now, little one, the wheat fields rest tonight,
tomorrow's sun will rise for you, and fill the sky with light.

"Sleep now, little one, the ancient river flows, the old stone church bells have quieted now, as evening gently grows. Sleep now, little one, the wheat fields rest tonight, tomorrow's sun will rise for you, and fill the sky with light."
