Am Dm Am
Sleep now, little one, the orchard trees are still,
Dm Am E7
the shepherd's song has faded now, upon the northern hill.
Sleep now, little one, the evening star is bright,
tomorrow's sun will climb these fields, and fill them with the light.

*"Sleep now, little one, the orchard trees are still, the shepherd's song has faded now, upon the northern hill.
Sleep now, little one, the evening star is bright, tomorrow's sun will climb these fields, and fill them with the light."*
