Am Dm Am
Sleep now, little one, the valley lake is calm,
Dm Am E7
the eagle rests upon the cactus, wing tucked under arm.
Sleep now, little one, the temple fires are low,
tomorrow's sun, our ancient friend, will rise for you to know.

“Sleep now, little one, the valley lake is calm, the eagle rests upon the cactus, wing tucked under arm. Sleep now, little one, the temple fires are low, tomorrow's sun, our ancient friend, will rise for you to know.”
