Am Dm Am
Sleep now, little one, the desert wind is calm,
Dm Am E7
the camel bells have quieted now, beneath the evening's balm.
Sleep now, little one, the stars are shining bright,
tomorrow's sun will rise for you, and fill the sky with light.

*"Sleep now, little one, the desert wind is calm, the camel bells have quieted now, beneath the evening's balm.
Sleep now, little one, the stars are shining bright, tomorrow's sun will rise for you, and fill the sky with light."*
