Kichwa Lullaby

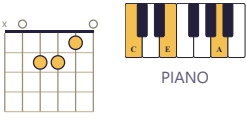

Andean Highlands, Ecuador · Key: A minor · ~56 BPM

Am Dm Am
Sleep now, little one, the volcano stands so still,
Dm Am E7
the market colors rest tonight, upon the highland hill.
Sleep now, little one, the woven poncho's warm,
tomorrow's sun will rise for you, and shield you from the storm.

"Sleep now, little one, the volcano stands so still, the market colors rest tonight, upon the highland hill. Sleep now, little one, the woven poncho's warm, tomorrow's sun will rise for you, and shield you from the storm."
