Am Dm Am
Sleep now, little one, the forest trees are still,
Dm Am E7
the evening birdsong quiets now, upon the wooded hill.
Sleep now, little one, the rice fields rest tonight,
tomorrow's sun will rise for you, and fill the sky with light.

"Sleep now, little one, the forest trees are still, the evening birdsong quiets now, upon the wooded hill. Sleep now, little one, the rice fields rest tonight, tomorrow's sun will rise for you, and fill the sky with light."
