Moor Lullaby

Coastal Sri Lanka · Key: A minor · ~54 BPM

Am Dm Am
Sleep now, little one, the harbor boats are still,
Dm Am E7
the coconut palms are swaying now, upon the coastal hill.
Sleep now, little one, the evening call is low,
tomorrow's sun will find the shore, and set the water aglow.

"Sleep now, little one, the harbor boats are still, the coconut palms are swaying now, upon the coastal hill. Sleep now, little one, the evening call is low, tomorrow's sun will find the shore, and set the water aglow."
