Across the wider Pacific — small island nations like Vanuatu, the Solomon Islands, the Cook Islands, Kiribati and Micronesia — communities share a deep connection to the sea, the lagoon, and island life, even as each keeps its own distinct language and traditions. This lullaby offers a gentle, shared tribute to that common island heritage, honouring a region too varied to be captured in any single fixed song.

Original lullaby inspired by the shared island heritage of the wider Pacific, offered as a general and respectful tribute.
