Slaap, My Kindjie, Slaap

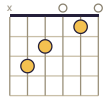

Afrikaans Lullaby · South Africa · Key: C major · ~55 BPM

C F C
Slaap, my kindjie, slaap nou sag,
F C G7
buite waai die wind so saggies deur die nag.
Oor die berge, oor die vlei,
môre kom die son weer op vir jou en my.

"Sleep, my little child, sleep now softly, outside the wind blows so gently through the night. Over the mountains, over the veld, tomorrow the sun will rise again for you and me."
