Javanese Lullaby · Indonesia · Key: A minor · ~55 BPM

Am Dm Am
 Turu, ngger, turu, the rice fields have gone still,

 the gamelan bells have quieted down upon the hill.
 Turu, ngger, turu, the volcano stands so tall,
 tomorrow's light will wake you gently after all.

"Turu" means "sleep" and "ngger" is a warm, affectionate term for a child in the Javanese language.
